

2008 Sunday Morning Softball Schedule - Revised

*Weather related rainouts will be posted on the website by 7:00am the day of the game.
And for those without website access, call 508/238-9000 for game status if raining.*

Please contact your team captain as soon as you know you cannot make a game! This is important so he can insure there will be enough players to field a team.
